

Al Khalidi Hospital & Medical Center

Amman (Jordan)

Al Khalidi Hospital & Medical center is one of the most respected hospitals in MENA (Middle East and North Africa) known for treating complicated conditions.

The hospital is highly equipped and internationally qualified to provide specialized healthcare services and medical treatment, accommodated in an state-of-the-art modernized Center and safeguarded by an expert medical team and staff. Haelvoet is pleased to be a partner in this beautiful project and provided the 15 new rooms of an Olympia Hospital bed, Quadra Care bedside tables, Domus relax seats and Stella chairs.

Scope of the project: 15 rooms

Date: Autumn 2017
